

Kennedy Hopkins Scholars Mentor Program

Mentor and Mentee Expectations & Resources

Faculty mentor expectations

Faculty mentors are expected to be accessible, accountable, and respectful of their mentees. Mentors are expected to commit to and provide support for their resident mentee in the following areas:

- Professional development
- Career advice/Networking opportunities
- Goal-setting
- Social support

Resident mentee expectations

Residents are expected to:

- Be accountable
- Follow through with mutually-decided goals
- Utilize mentor/mentee relationship for any or all of the following:
 - Professional development opportunities
 - Career advice/Networking opportunities
 - Goal-setting
 - Social support
