#### COMING LATE SUMMER 2022!

Stay tuned for the launch of the **Alumni Advisor** program, which is our mentoring platform. This is an excellent opportunity to connect with current students and even fellow alumni that may benefit from your experience and knowledge. You must fill out your profile in the Alumni Directory to participate in this program.

We will be relaunching the H.O.S.T (Help Our Students Travel) program for our MD alumni and students in the future. *If you have already signed up for the H.O.S.T program, you will still need to fill out a profile for the Alumni Directory.*
